

“Gibson County Patriots” Who are we?

“Gibson County Patriots” are patriotic citizens of Gibson County Tennessee with Christian conservative values, (formally known as the silent majority). Our purpose is to positively impact government by influencing both parties to become morally and fiscally responsible and adhere to the supreme law of our land, The Constitution of the United States of America. We promote and support conservative candidates with integrity who will honor their oath of office and our Constitution and we work to defeat those who do not. We hold those elected to office accountable to their oath of office to support and defend (the spirit and intent) of our Constitution.
